PROJECT NAME: IoT based smart crop protection system for Agriculture

ACCOUNT CREATION IN CLARIFAI

The image consists of two screenshots of the Clarifai web portal. The top screenshot shows the 'Almost There!' registration page at portal.clarifai.com/userconsent. The form contains the following fields: First Name (Sakthi Sneghaa), Last Name (V A), Company (Easwari engineering college), Job Title (student), and Job Role (Developer & Engineer). Below the form, there is a consent statement: 'Before continuing, we require your consent to our GDPR regulations and/or Terms of Service. To proceed, please select the required checkboxes below'. The bottom screenshot shows the 'Applications' page at portal.clarifai.com/users/120shakthi/apps. It features a 'CREATE APPLICATION' button and a list of applications. One application is visible: 'my-first-application' with ID '4535fd7c20f946da817dce808a83226e', created on November 12, 2022. A red icon representing a document and a film strip is shown below the application name. On the right side of the page, there is a 'What's New' sidebar with two updates from November 30, 2021: 'Marketplace Model: ASR model of noisy telephone data: Wav2Vec2-Large-Robust fine-tuned on Switchboard' and 'Marketplace Model: ASR models of less common languages'.

Almost There!

First Name: Sakthi Sneghaa, Last Name: V A, Company: Easwari engineering college, Job Title: student, Job Role: Developer & Engineer
