The image shows two screenshots of the IBM Cloud interface. The top screenshot is the 'Dashboard' page, which features a sidebar with navigation options like 'Build', 'Create', and 'User access'. The main content area displays several 'For you' recommendations, including 'Set up your IBM Cloud account', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Build a data lake', and 'Create'. The bottom screenshot shows the 'Account settings' page, which includes sections for 'Account' (SRUTHI PRIYA D M's Account, ID: b994604669354869b9a703859d9f0a3d), 'Account Type' (Trial (Free), 52 days remaining in Trial), and 'Account upgrade' (Pay-As-You-Go, Subscription). The 'Need help?' section includes a 'Contact sales' link. The interface is in English and shows the user's name 'SRUTHI PRIYA D M's A...' in the top right corner.
